## Expanding care for OhioHealth

### Welcome Morrow County

In January, OhioHealth celebrated Morrow County Hospital with an event to commemorate it becoming OhioHealth's 16th full-member hospital. The membership agreement brings the 25-bed critical access hospital and its physicians and associates under the OhioHealth umbrella. Recognized as a Top 100 Critical Access Hospital in the country, Morrow County Hospital will provide even more quality care access for OhioHealthy members. Read more [here](#).

### The cancer experts at OhioHealth

A cancer diagnosis can be a paralyzing and emotional experience. OhioHealthy members can be comforted by the strength and support of exceptional cancer care close to home and the ones they love. OhioHealth has more cancer care facilities than any other hospital system in central Ohio.

In December, OhioHealth expanded on that commitment by announcing plans for a new comprehensive outpatient cancer center. This new center will focus equally on expanding access to cancer care and improving patient experiences. The new facility will be located in the current location of the south parking lot on OhioHealth's administrative campus across from OhioHealth Riverside Methodist Hospital. Read more [here](#).

## Spotlights – Highlighting recent changes and successes

Changes to our OhioHealthy structure, with no impact to you! OhioHealthy is committed to operational excellence and providing the best experience for our employers/brokers. As a result, we are making a few changes to the sales organization.

- **Candice Glover** has accepted a position as Lead of Sales Operations. Candice will ensure OhioHealthy has up-to-date process flows and seamless implementations, so that every interaction with OhioHealthy is a fantastic experience.
- **Lisa Kadlec** will transition in her role from a New Business Sales Executive, to a Renewal Account Executive. Lisa has a passion for building deep, long-lasting relationships and to ensuring all employers have a positive experience when interacting with OhioHealthy.
- **Dave Dziedzicki** will now assume the role of New Business Sales Executive for all employer sizes. Dave has been the Large Employer Account Executive since 2023 and has done a great job growing OhioHealthy membership. He has built great relationships with the broker community and in his new,

expanded sales role, will have the chance to work with several agencies he has not yet had the opportunity to interact with.

We hope these changes continue to demonstrate OhioHealthy's commitment to meeting your needs and the needs of your employers. We are excited about the future and to see the success of Candice, Lisa and Dave as they take on these new, expanded roles within the sales organization.
