Expanding Care for our Patients

OhioHealth to Open New Canal Winchester Health Center

OhioHealth is proud to announce the opening of the new OhioHealth Canal Winchester Health Center, a three-story, 40,000 square-foot facility designed to expand access to high-quality, convenient healthcare in one of central Ohio's fastest-growing communities. The facility officially opened its doors to patients on August 12, 2025. The new health center will provide 24/7 emergency services, outpatient care and more.

OhioHealth Opens New Grant Family Medicine Office

The new ambulatory site is located at 332 E. State St., two blocks from its previous location and directly across the street from the main entrance to Grant Medical Center. Grant Family Medicine is the outpatient care home of the Grant Family Medicine Residency and has supported the community for over 50 years. It provides comprehensive primary care services for all ages, including adult care, pregnancy care, newborns, children and adolescents. The new building is 33,000 square feet with 50 patient rooms and two community education spaces. It's also home to Grant's transition of care clinic and offers a clinical learning environment for 36 family medicine resident physicians.

Spotlights

Nisha Patel, MD – Chief Medical Director

Dr. Patel is a proven leader with an impressive track record of improving health plan quality and performance, and building relationships with provider groups. She brings exceptional experience in quality improvement and clinical care operations. Most recently Dr. Patel worked for a Fortune 50 health insurance company as a regional vice president where she led a team of 200 associates involved in delivering clinical care services for 450,000 Medicare Advantage members in Ohio, Indiana and Michigan. The scope of her work is to develop strategy, optimize clinical care services for plan membership and enable growth.

Holly R. Miller, PharmD, BCACP – Director, Pharmacy

Holly R. Miller is a dynamic and results-driven healthcare leader with over 20 years of experience in pharmacy management, managed care and population health. She oversees strategic initiatives driving clinical excellence, cost efficiency, and quality performance. Her leadership has led to direct to employer annual savings through drug cost containment strategies and improved managed care initiatives. Throughout her career, Holly has served in a variety of pharmacy roles, where she has led the development and execution of innovative clinical programs focused on Diabetes Management, medication adherence, opioid safety, and Medicare Star Ratings. Her leadership in integrating pharmacist led clinics into provider practices has proven to be a success to drive patient outcomes.
